Anna Weiderhold commits to Ferrum College

FSCI proudly announces that Anna Weiderhold will play for the Ferrum College women's soccer program in 2025. Ferrum College is an NCAA Division 2 school located in Ferrum, VA.

Anna has been a member of the FSCI select program for 5 years from 2020 to 2025. Anna is a defender that plays in our girls 2007 age group. She attends Spotsylvania High School.

Anna's high school GPA is 4.85, and she is in the International Baccalaureate program. She has earned 16 Varsity letters and is in numerous clubs and organizations. Anna states the following:

"I have been playing soccer for over ten years. I played Parks and Recreation soccer until I decided to try out for FSCI Travel Soccer during COVID-19. I felt welcome at tryouts and knew I wanted to join the team. During the past few years with FSCI Travel Soccer, I have gained some incredible friendships and learned new skills. I was also fortunate to have the opportunity to successfully try out and earn a spot on the CCL United team to play internationally in Denmark, where we won the Vildbjerg Cup. I was able to compete for a second time the following year with a different team from Virginia, and we won the Cup again. These experiences have helped shape me into a more versatile player and a stronger leader on and off the field. I want to thank all of my coaches and teammates for always pushing me to be my best. I also want to thank my family for always supporting me. I will miss being a member of FSCI Travel Soccer, but I will carry what I have learned into my future soccer career. I am so excited to join the soccer team at Ferrum College, where I will be majoring in Criminal Justice and minoring in Russian. Go Panthers!"

- Coach Donnie Wheeler, Anna's travel soccer coach states: "Anna is one of the hardest workers that I ever had the privilege to coach. She always works hard whether in training or matches. She wanted to know her weaknesses so she could work on her own outside of training to improve. This hard work has seen Anna improve immensely over the past couple of years in the field. She has been a team captain for the last couple of years as she is a true leader on and off the field. She was a joy to coach. Ferrum is getting a very good player and I know Anna will make an impact on the field and off at Ferrum."
- Rob and Susan, Anna's parents, state the following: "Anna has always had a love of sports. She participates in cross country and track to stay conditioned for soccer. This allows her to have the endurance to be actively involved in the game for its duration. She has a passion for soccer and demonstrates an ability to manage that along with many other activities. She is dedicated to always performing her best both on and off the field. We are very proud of Anna for her accomplishments and the young lady she has become."
