

2024-2025 Financial Need Scholarship Program

FSCI offers a financial needs scholarship. The specific scholarship award amount is dependent upon the number of applicants and scholarship funds available.

Families that meet one of the following criteria are eligible for our needs-based scholarship. FSCI will prioritize scholarship awards in the order listed below.

1. Meeting Federal income eligibility guidelines at the 130% level or 185% level for the National School Lunch Program for the 2024-2025 school year. Income eligibility guidelines are located on this webpage - <http://www.fns.usda.gov/school-meals/income-eligibility-guidelines>
2. Experiencing a one-time financial difficulty such as high medical bills, recently lost a job, etc.
3. Families with more than 1 child in the program

To apply for a financial need scholarship, a family must complete the scholarship application and submit all pages of all required documentation unredacted. FSCI will review, verify, and approve all applications.

Our financial need scholarship program is funded by our soccer camps and other fundraisers. In addition, the scholarship program is also funded in part by the generosity of FSCI members, local individuals, families, and businesses.

Below is the timetable for financial assistance. Applying after the deadline reduces the chance of a scholarship award for those that qualify.

- Financial Need Scholarship Application Deadline – May 3, 2024
- Awards Announced to Families – July 20, 2024 (estimated date)

Disclaimers:

1. The financial needs scholarship does not cover the required uniform items, any personal transportation costs to and from events, or anything outside of membership dues.
2. Application submission does not guarantee financial scholarship.
3. A player with an outstanding balance or discipline issue in any past program is not eligible for financial scholarship unless a written exemption is provided by the Executive Director.
4. It is possible that the amount of the award may be less than the scholarship amount requested.
5. FSCI reserves the right to request additional documentation and ask questions.
6. After application submission, parent needs to register their child and select the “scholarship” option in the payment dropdown box.
7. FSCI's goal is to provide financial assistance to as many families as possible that are in need. We ask that if you can pay a small amount, please do so. This would allow us to help even more players.
