EXPECTATIONS

1. Commitment is required.
 - a. Before the season, inform the coaches of any long standing commitments.
 - b. Players are expected to makeup missed practices.
 - c. Practice is the most important event each week because it's the only time learning and improvement occur and the coach has the most influence.
2. Please read and understand the following documents.
 - a. Travel Program Rules
 - b. Parent handbook
 - c. The player registration checklist.

DISCLAIMERS

1. Schedule and logistics are subject to change due to weather, unforeseen circumstances, or circumstances outside our control. FSCI will make its “best effort” to provide the specific number of scheduled practice and game events.
2. The number of games scheduled is the summation of league games, tournament games, and non-league games for each season.
3. On the basis of merit, a player can move from white to orange (or vice versa) or into different age groups at any point during their tenure in the club.
4. Financial assistance is available for children that qualify.
5. Membership in the program is granted strictly to the child that’s participating, not adults.
6. A player cannot participate in any activities if a payment deadline has been missed regardless if previous payments have been made.
7. The required uniform is not covered within membership dues.
