DISCLAIMERS

1. Schedule and logistics are subject to change due to weather, unforeseen circumstances, or circumstances outside our control. FSCI will make its "best effort" to provide the specific number of scheduled practice and game events.
2. The number of games scheduled is the summation of league games, tournament games, and non-league games for each season.
3. There is a maximum number of players that can dress for a game. If we keep more than the max number allowed on a roster, we will have a player rotation system where everyone will dress for the minimum number of scheduled games listed in the preceding table.
4. On the basis of merit, a player can move from white to orange (or vice versa) or into different age groups at any point during their tenure in the club.
5. FSCI reserves the right to combine age groups at any point during the membership term.
6. Financial assistance is available for children that qualify.
7. The required uniform is not covered within membership dues.
8. If you miss a scheduled event regardless of reason or circumstance, another event will not be provided to you. For example, if you miss one of the scheduled games, we do not automatically provide you with another game to attend.
