UNIFORM OUTLINE

- Stephanie Rawlings – Operations Administrator, will input each individual player’s name, jersey number, and contact information into the Stefan’s Soccer Supply FSCI Phoenix Database.
- Once Stephanie submits the individual’s information, Stefan’s Soccer Supply will automatically send an email to the contact information provided.
- The email will contain a link for you to order your child’s uniform for the 2017/2018 and 2018/2019 seasons (2 year cycle).
- The new webstore will provide a list of “required” uniform pieces and a list of “optional” uniform pieces. You will be unable to checkout, unless ALL required uniform pieces are ordered.
- Orders will be shipped as a team order, rather than in the past as an individual order. Your team manager will be notified when the team order has arrived. There are no shipping expenses in this initial team order. However, there will be shipping expenses should you need additional pieces after this initial team order.
- Your Fall 2017 uniform order must be placed by Thursday, June 1, 2017. If you do not place your order by that date, you will hold up your entire team’s order process.
